HQ Ground-Level Offices

WillScot HQ is no container office. It was developed based on years of research, customer feedback and input from experts in construction, manufacturing, commerce and more. Our superior ground-level building is designed to be the ultimate office for small crews and tight spaces. It's your center for strategic execution, your place to consistently deliver projects on time and on budget. No matter where you are.

When you choose WillScot HQ you're getting a mobile office that is modern, secure and energy efficient. Our HQ Ground-level offices feature:

- 2 lengths: 20' and 40'
- IBC compliant
- Built with non-combustible materials for safety
- 4" steel walls and frame ensure a solid and quiet experience
- PVC flooring over cement-bonded foundation provide a solid, clean look.
- Prewired with 3 phone jacks and 3 data ports for convenience
- 7-day programmable thermostat to save on energy costs
- Withstands 150 mph winds, 60 lb./sq. ft. snow loads, seismic activity to 8.0
