

REDI-PLEX BUILDINGS

Our Redi-Plex buildings provide a larger, more versatile solution to your longer term space needs.

When your business requires a larger, more permanent space solution our Redi-Plex buildings are the perfect solution. Durable, secure and easily configured to meet your needs, our Redi-Plex buildings offer advanced versatility. Large, open floorplans are created using clear span construction, eliminating interference from support columns. Whether you need an open floorplan or a custom layout with private offices, conferences rooms or break areas, our Redi-Plex buildings provide the flexibility to create the exact space you need. All of our Redi-Plex buildings are made with durable, high quality materials that meet national and state building, electrical, mechanical and plumbing codes and are supported by the best customer service in the industry. We also provide a variety of additional products, including steps, ramps, and awnings, and convenient furniture packages thoughtfully designed to fit your space, saving you time and money, so that your space is outfitted with everything you need to be ready to work.

Features

Ideal for larger, temporary or permanent, applications
